

DIGI DUDLEY

JST's Digi Dudley project aims to increase social connections using technology. Since the COVID-19 Pandemic began, many people have felt lonely or isolated, particularly those of the older community, or those that care for an elderly friend or relative.

What we offer:

You can develop skills with a Digital Buddy and receive support to help with:

- Building Confidence
- Safe Online Surfing
- Soft Skills with Phones, Tablets and Laptops
- Social Media and Community Connection
- Online Shopping
- Our Tablet Loan Scheme

If you have any questions, or would like to book an appointment, call Jim (the Digi Buddy Lead) on the phone number provided.
