

NeuroKind
Unmasking Potential

The NeuroKind logo features a stylized brain graphic composed of overlapping circles in various colors (purple, blue, green, yellow, orange, red) and a purple outline. The text 'NeuroKind' is in a large, bold, purple font, and 'Unmasking Potential' is in a smaller, purple font below it.

NeuroKind is for anyone with a neurodiversity.

We welcome people who are diagnosed, self-identifying or exploring whether they might be neurodivergent.

Our aim is to help you: Build confidence, Reduce isolation, find support and help you discover how you can thrive

Support

Move towards your goals with tailored 1:1 sessions from one of our advice workers.

Connect

Join one of our groups and meet other participants in a neuro friendly environment.

Share

Attend our events to help us to raise awareness about neurodiversities!
